Miscellaneous Information

Passwords & User Names

The parent has to manage and create the account using the "key" provided at the beginning of this sheet. If you can't access your account after you have registered, you must return to the website http://pabeta.neonet.org/ and click *Can't access your account (see below).* **The school cannot see your password.**

Can't access your account

If you have trouble with your account, go to the login page and select the "*Can't access your account*" option.

The **"I forgot my password"** will send an email to your account. The email link will be active for 10 minutes.

The **"I forgot my username"** will send the username to your email.

The "**My account has been locked"** option tells you the account is locked. It will unlock after 10 minutes. This is to protect your account.

Alerts can be sent to your email address for low assignment marks and missing assignments.
