

School Improvement Status Information

Public School Choice

Supplemental Educational Services

Barnesville Exempted Village Schools is posting information for you according to USDOE regulations regarding the school improvement status of our buildings from the 2007-08.

Buildings in School Improvement

For the 2007-2008 school year Barnesville Middle School was in School Improvement- Year 2/Delay because in the 06-07 school year we failed to meet adequate yearly progress (AYP) with our economically disadvantaged sub-group in both reading and math which placed us in School Improvement- Year 2. For the 07-08 school year we met our requirement which put us in School Improvement – Year 2/Delay. We must meet our AYP requirement for 2 years in a row to be out of school improvement status.

The 2008-2009 school year report card shows Barnesville Middle School in School Improvement- Year 3. We did not meet AYP in the area of math for the sub-group of students with disabilities. AYP was met in all other sub-group areas and also met in the area of reading.

Public School Choice (PSC) Offering

Schools in School Improvement Year 1 status and above are offered PSC.

2007-2008 Barnesville Middle School School Improvement- Year 2/Delay

All middle school students were eligible. Zero students transferred due to school improvement status.

2008-2009 Barnesville Middle School School Improvement- Year 3.

All middle school students are eligible to consider transferring to another district under open enrollment per incoming student district policy.

Supplemental Educational Services (SES)

2007-2008 No buildings in our district were eligible

2008-2009 Barnesville Middle School students are eligible as they are a School wide Title I building. Please read the parent/guardian letter in the school improvement section of the Barnesville Middle School website. This will clarify what students will be serviced first as the funding is limited.

Please contact the middle school principal at 740-425-3615 x 4128 (Mrs. Erwin) or 740-425-3615 x 3224 (Dr. Hannahs) by Oct. 2 if you are interested in receiving services for your middle school child.

Here is a list of the state approved providers for SES services which was found by clicking on our county and school district on the Ohio Department of Education website. These are primarily computer based services.
